Impact Report

EXECUTIVE SUMMARY

Dear Supporters, Partners, and Friends,

Welcome to Atlantic Outreach Group's 2024 2nd Quarter Impact Report. As we navigate the path toward a more equitable and compassionate society, we are proud to share the remarkable progress and milestones we've achieved together. This report highlights our continued commitment to addressing food insecurity and supporting individuals facing substance use challenges.

A key driver of our success is our dedicated staff, whose hard work and passion ensure the smooth operation of our programs and initiatives. Their commitment to our mission and the communities we serve is the backbone of our organization's success.

Equally important is the incredible support we receive from our volunteers. Their dedication and tireless efforts have been instrumental in making a real difference in the lives of those we serve. Whether distributing food, supporting our recovery programs, or assisting with community events, our volunteers are the heart of our organization.

We are also excited to share the great news about our recent growth and our upcoming move to a new 25,000 sq ft location this fall. This new space will significantly enhance our ability to serve more individuals in need and expand our programs. We look forward to providing updates on this transition and its impact in our upcoming third quarter impact report.

This report is a testament to the unwavering dedication of our supporters, partners, volunteers, and staff.

As we reflect on these achievements and look forward to the future, we are inspired by the collective efforts of our community. Your unwavering support continues to drive our mission forward, creating lasting change and offering hope to those in need.

To further illustrate the impact of our work, we are pleased to share detailed visual data highlighting our key milestones and accomplishments from the first quarter of 2024. This data offers a deeper insight into the tangible differences we've made together.

Thank you for your ongoing commitment to Atlantic Outreach Group. Together, we are making a profound difference.
