2025 Q1 Impact Report

“Building and empowering lives, one connection at a time.”

aog4u.org

Dear Supporters, Partners, and Friends,

Welcome to Atlantic Outreach Group's first Quarterly Impact Report of 2025—and a very special one as we celebrate 15 years of service since our founding in 2010! For a decade and a half, we've remained committed to empowering individuals, strengthening families, and creating lasting change throughout our community. It's been an incredible journey, and we're just getting started.

This year, we're reflecting on the collective impact we've made together—from walking alongside individuals on the road to recovery, to nourishing families and pets, to strengthening community connections and celebrating the continued growth of our alumni and volunteer networks. Each story, each milestone, and each moment of support adds to a bigger picture of hope, healing, and transformation.

As you read through this newsletter, you'll see just how powerful those connections have been. From our food and pet pantry programs to our recovery initiatives like Fresh Start, Prevention+, and Virginia's first Residential Recovery Advisor (RRA) Apprenticeship Program, the work we're doing is only possible because of your belief in our mission.

We would also like to express our heartfelt thanks to our generous donors at the Richmond Health Equity Fund, Richmond Opioid Abatement Authority, and the Community Foundation. Your continued support fuels our ability to serve, grow, and adapt to the ever-evolving needs of the people we stand alongside.

Whether you've been with us since the beginning or recently joined our movement, thank you for walking with us on this journey. We are honored to continue this work and look forward to the year ahead as we keep building and empowering lives, one connection at a time.

With gratitude,

Kheila Jones
