2025 Q2 Impact Report

“Building and empowering lives, one connection at a time.”

aog4u.org

Dear Supporters, Partners, and Friends,

As we move through the second quarter of 2025, I'm proud to share continued growth and momentum at Atlantic Outreach Group. With our 15-year anniversary underway and our new headquarters officially open, we've entered a season of energy, expansion, and deeper impact. Our 25,000 sq. ft. space is already enhancing the way we serve. We've expanded program sessions, welcomed new volunteers, and hosted community partners for meetings and trainings. This space is more than a building—it's a symbol of how far we've come and a foundation for what's ahead.

We're especially grateful to FeedMore for their recent funding support toward the purchase of a new box truck for our Food Program. This vital addition will help us deliver food more efficiently across the region. Together with the expanding reach of our Pet Pantry, these resources are helping us meet critical needs and keep families—pets included—together during difficult times.

On the recovery front, this report highlights powerful progress in our Fresh Start program, the two-year anniversary of Prevention+, and the continued evolution of the nation's first Residential Recovery Advisor (RRA) Apprenticeship Program. You'll also see a snapshot of the meaningful impact our alumni and volunteers are making—proof that lived experience remains one of the most powerful tools for transformation.

Next quarter, we're excited to relaunch our official newsletter, The Compass, which will offer a closer look into the people and stories behind the data. It's part of our commitment to sharing not just what we do, but why we do it—and the lives touched along the way.

As part of our 15-year celebration, we'll also be hosting a special anniversary fundraiser this fall. Stay tuned for ways to get involved—we'd love to celebrate this milestone with you.

Thank you for walking this journey with us. Your support makes every step possible. Together, we are building and empowering lives, one connection at a time.

With gratitude,

Kheila Jones

Food Pantry On The Move

Thank you FeedMore!

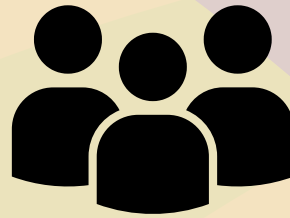

With recent funding from FeedMore, we've added a new box truck to our Food Program—making it easier to deliver food across the region. Combined with the growing impact of our Pet Pantry, we're reaching more families (and pets!) when they need it most.
