2025 Q3 Impact Report

“Building and empowering lives, one connection at a time.”

aog4u.org

Dear Supporters, Partners, and Friends,

As we close out the third quarter of 2025, I'm proud to reflect on a season of progress, purpose, and impact. This quarter marked a meaningful milestone: 15 years of service to our community. Celebrating this anniversary with many of you reminded me how far we've come and how much is still possible when we work together.

We've continued to grow in alignment with our mission. This quarter, we expanded housing through our Prevention+ program, rebranded our recovery efforts under AOG Recovery Programs, and created a Triage Team to better coordinate care. We also laid the groundwork for new services, including the upcoming launch of our AOG Transportation Company.

Our Food Program remains one of the few pantries in the area open five days a week, providing consistent support to families experiencing food insecurity. Our Pet Pantry also continues to grow, helping families care for their pets during times of hardship and ensuring beloved companions can stay right where they belong—at home.

We are also looking ahead with excitement to our 8th Annual Holiday Helping Hands event on December 20. This celebration has become a cherished tradition for our community, and we look forward to creating another meaningful experience for the families we serve.

The investments from funders like FeedMore, the Jenkins Foundation, and the Community Foundation are helping make this work possible. Their support, along with yours, keeps us moving forward.

As always, the full report shares more of the data and stories behind our impact. Thank you for walking alongside us and believing in this work. Every step forward is made possible through your continued support, trust, and partnership. Together, we continue to build and empower lives, one connection at a time.

With gratitude,

Kheila Jones

AOG Transportation

Transporting With Dignity and Style!

We're thrilled to announce the launch of our brand-new company-branded transportation fleet-featuring cars, vans, and buses designed to serve our team and community with comfort, reliability, and style! This milestone represents a major step forward in expanding our impact and delivering excellence every mile of the way.
